The Aval Tissue Dispenser is a coin operated tissue vending machine which helps café or coffeeshops operators to generate additional sanitary allowance for upholding public hygiene.

The highly durable casing is not only rust and scratch proof, it fits into any corner as a clean and neat décor. The optional alarm system further enhance the dispenser to be a tamper-proof device. Best of all, this machine is almost maintenance free, changing of tissue paper and coin-collection does not require any technical knowledge.

Available for sales and rental.
